Subject: Typographical error in the reallocation of marks in M.Sc. Nuclear Medicine for the session 2019-20

Dear Sir,

In reference to office letter no. 1525-27/GM dated 31.01.19, this is to inform you that there is typographical error in the practical marks of Semester I to Semester III as it must be 45 instead of 40 though mentioned total marks i.e., 540 is correct according to the 45 Marks for 12 papers. Kindly make the correction for the same. (attached)

Thanking you
